Data Protection Legislation: the UK Data Protection Legislation and (for so long as and to the extent that the law of the European Union has legal effect in the UK) the General Data Protection Regulation ((EU) 2016/679) and any other directly applicable European Union regulation relating to privacy.

UK Data Protection Legislation: any data protection legislation from time to time in force in the UK including the Data Protection Act 2018 or any successor legislation.

1 DATA PROTECTION

1.1 Both parties will comply with all applicable requirements of the Data Protection Legislation. This clause 1 is in addition to, and does not relieve, remove or replace, a party's obligations under the Data Protection Legislation. In this clause 1, **Applicable Laws** means (for so long as and to the extent that they apply to the Provider) the law of the European Union, the law of any member state of the European Union and/or Domestic UK Law; and **Domestic UK Law** means the UK Data Protection Legislation and any other law that applies in the UK.

1.2 The parties acknowledge that for the purposes of the Data Protection Legislation, the School is the data controller and the Provider is the data processor (where **Data Controller** and **Data Processor** have the meanings as defined in the Data Protection Legislation). Schedule One sets out the scope, nature and purpose of processing by the Provider, the duration of the processing and the types of personal data (as defined in the Data Protection Legislation, **Personal Data**) and categories of Data Subject.

1.3 Without prejudice to the generality of clause 1.1, the [School / Academy Trust] will ensure that it has all necessary appropriate consents and notices in place to enable lawful transfer of the Personal Data to the Provider for the duration and purposes of this agreement.

1.4 Without prejudice to the generality of clause 1.1, the Provider shall, in relation to any Personal Data processed in connection with the performance by the Provider of its obligations under this agreement:

- (a) process that Personal Data only on the written instructions of the [School / Academy Trust] unless the Provider is required by Applicable Laws to otherwise process that Personal Data. Where the Provider is relying on laws of a member of the European Union or European Union law as the basis for processing Personal Data, the Provider shall promptly notify the [School / Academy Trust] of this before performing the processing required by the Applicable Laws unless those Applicable Laws prohibit the Provider from so notifying the [School / Academy Trust];
- (b) ensure that it has in place appropriate technical and organisational measures, reviewed and approved by the [School / Academy Trust], to protect against unauthorised or unlawful processing of Personal Data and against accidental loss or destruction of, or damage to, Personal Data, appropriate to the harm that might result from the unauthorised or unlawful processing or accidental loss, destruction or damage and the nature of the data to be protected, having regard to the state of technological development and the cost of implementing any measures (those measures may include, where appropriate, pseudonymising and encrypting Personal Data, ensuring confidentiality, integrity, availability and resilience of its systems and services, ensuring that availability of and access to Personal Data can be restored in a timely manner after an incident, and regularly assessing and evaluating the effectiveness of the technical and organisational measures adopted by it);
- (c) ensure that all personnel who have access to and / or process Personal Data are obliged to keep the Personal Data confidential; and
- (d) not transfer any Personal Data outside of the European Economic Area unless the prior written consent of the [School / Academy Trust] has been obtained and the following conditions are fulfilled:
 - (i) the [School / Academy Trust] or the Provider has provided appropriate safeguards in relation to the transfer;
 - (ii) the data subject has enforceable rights and effective legal remedies;
 - (iii) the Provider complies with its obligations under the Data Protection Legislation by providing an adequate level of protection to any Personal Data that is transferred; and

(iv) the Provider complies with reasonable instructions notified to it in advance by the [School / Academy Trust] with respect to the processing of the Personal Data;

(e) assist the [School / Academy Trust], at the [School / Academy Trust]'s cost, in responding to any request from a Data Subject and in ensuring compliance with its obligations under the Data Protection Legislation with respect to security, breach notifications, impact assessments and consultations with supervisory authorities or regulators;

(f) notify the School without undue delay on becoming aware of a Personal Data breach;

(g) at the written direction of the [School / Academy Trust], delete or return Personal Data and copies thereof to the [School / Academy Trust] on termination of the agreement unless required by Applicable Law to store the Personal Data; and

(h) maintain complete and accurate records and information to demonstrate its compliance with this clause.

1.5 The [School / Academy Trust] does not consent to the Provider appointing any third party processor of Personal Data under this agreement. **OR** The School consents to the Provider appointing [THIRD-PARTY PROCESSOR] as a third-party processor of Personal Data under this agreement. The Provider confirms that it has entered or (as the case may be) will enter with the third-party processor into a written agreement incorporating terms which are substantially similar to those set out in this clause. As between the [School / Academy Trust] and the Provider, the Provider shall remain fully liable for all acts or omissions of any third-party processor appointed by it pursuant to this clause.

1.6 Either party may, at any time on not less than 30 days' notice, revise this clause 1 by replacing it with any applicable controller to processor standard clauses or similar terms forming part of an applicable certification scheme (which shall apply when replaced by attachment to this agreement).
