Briefly, why do you believe this route is a public right of way?

From information given the route
as been used as a public
right of way since 1940,
as a road for delivery to farms.
Was later as a narrow lane for
walking or cycling, The Bungalows built
on the ~~old~~ land have never obstructed in fact we
believe the obstruction was placed there by people that
the route does not in any way go near their property.
