

Warwickshire County Council

Grow your business in Warwickshire

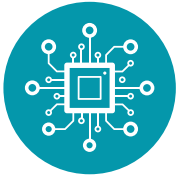

Here at Warwickshire County Council, we provide a range of services and support to help you **start, grow and accelerate** your business or to help it **recover** from the Covid-19 pandemic. We work with a range of business support partners to offer you a comprehensive package of support - often at no cost! Get in touch with us, you may be surprised at how we can help.

A programme of workshops and 1:1 support for start-up businesses and individuals interested in starting their own business

Support to tackle skills shortages and gaps by helping you build recruitment pipelines with schools, colleges and local universities

Access our Business Ready programme with our partner, the University of Warwick Science Park

Flexible and affordable business units in our portfolio of Business Centres

Access to finance advice and business loans & grants

Specialist sector support, access to business networks and support with supply chains

Commercial property searches and location advice

Innovation advice and support, able to link your business into strong knowledge and research base available locally

Soft landing support for UK and international business locating here

Economic intelligence and analysis

Free and impartial advice, support and brokerage on skills, apprenticeships and recruitment

Direct and connect businesses to the help and support available around trading standards and business regulations
