Section 1: [New Chaperone Application Process Explained](#)

Thank you for applying to become an approved Chaperone with Warwickshire County Council. Please read the information below carefully, as it outlines the full process for obtaining chaperone approval.

Please note that we are unable to process chaperone applications for individuals who reside outside of Warwickshire. If you live outside the county, you must apply directly to the local authority for your area.

At the start of the application process, please complete the [New Chaperone Application Form](#).

You will be required to **attach the following documents to the form**. We are unable to progress your application until all items listed below have been received:

1. A headshot photograph for your chaperone badge
2. Screenshots of the two training certificates following completion of the required training modules
3. Confirmation of payment (£25 for volunteer chaperones or £69 for chaperones undertaking paid work)
4. Confirmation of DBS application

Once we have received all of the above documents with the form, we will contact you to arrange an appointment at **Shire Hall/ Saltisford (Warwick), Oakfield Park (Rugby) or Kings House (Bedworth)** for your identification check as part of the DBS application process. Before attending this appointment, you will need to complete the online DBS application; instructions for doing so can be found [here](#).

Please bring the same three original forms of ID that you listed in the form. These must be genuine **originals** and not home-printed copies. The ID check will take no longer than **15 minutes**. After the check has been completed, the Business Support Officer who conducted your appointment will process your DBS application on the same day. While DBS applications can take up to four months, most are returned much sooner.

If you are registered with the DBS Update Service

If you are subscribed to the [DBS Update Service](#) and hold an enhanced DBS certificate for working with children, we may be able to accept this instead of requiring a new DBS check. You will be requested to upload a copy of your DBS certificate while completing the application form online. If, for any reason, we are unable to locate your record, a new DBS application will be required.

Following your ID check, we will contact you to arrange a suitable date and time for your Chaperone Interview, which will take place via Microsoft Teams. Please ensure the Microsoft Teams app is downloaded **ahead of your interview**. The interview will last no longer than **30 minutes**.

After a successful interview, we will carry out a Social Care check to ensure there are no recorded concerns regarding your suitability to work with children. Once your DBS certificate has been returned and satisfactory references have been received, we will produce your Chaperone Badge and forward it to our post room.

Section 2: New Chaperone Application Form

Please complete the [New Chaperone Application Form – Fill in form](#) including any attachments required.

Section 3: Chaperone Code of Conduct

Chaperone Code of Conduct

1. Core Responsibilities of the Chaperone

The Chaperone's primary duty is the safeguarding and welfare of the children in their care. While engaged as a Chaperone on a production, they must not undertake any other activity that may interfere with these duties.

Chaperones act *in loco parentis* (in the place of a parent), except when the child is being taught by an approved teacher. They must exercise the level of care that a reasonable and responsible parent would provide.

Chaperones are responsible for the welfare of the child/children from the beginning of the first performance to the end of the last performance covered by the licence, except when the child is in the care of their parent or teacher.

Key Requirements

- Be fully aware of and understand the conditions of each child's performance licence who is in their care.

- Act as the main point of guidance, protection, clarification, and support for the children.
- Be informed of any medical needs, disabilities, allergies, or medication arrangements (e.g., inhalers, diabetes care).
- Know the whereabouts of all children in their care at all times.
- Supervise no more than 12 children at once (or fewer, depending on ages, needs, and safety considerations).
- Inform the production lead if the number of children allocated compromises safe supervision.
- Do not permit children of statutory school age (last Friday in June in the school year in which they are 16) to leave the venue unaccompanied unless with their parent.
- Be aware of the venue's fire, safety, major incident, and first aid procedures.
- Ensure that all accidents or incidents are recorded and reported.
- Ensure children are comfortable, have appropriate access to food and drink (being aware of any allergies the child may have), and receive appropriate breaks.
- Provide adequate supervision for changing and toileting (preferably using separate facilities from adults).
- Keep a register of all children in their care and maintain up-to-date daily record sheets (head counts alone are not acceptable).
- Prioritise child welfare above production pressures at all times.
- Maintain a confidential list of key contacts, for example:
 - Child's licensing authority
 - Local authority of the performance venue
 - Parents/legal guardians
 - Medical information, where appropriate
- Maintain confidentiality and share information strictly on a need-to-know basis.
- Protect all personal information from unauthorised access and never share child details with the public, press, or media.

2. Behavioural Expectations of Chaperones

Chaperones MUST:

- Be the child's advocate and champion.
- Conduct themselves professionally on set—visible to children but not obstructing the crew.
- Remain alert to hazards and maintain full focus on the children.
- Avoid distractions, including reading, personal mobile use, social media, or being "star-struck".
- Report concerns or queries immediately to the head chaperone or designated safeguarding person.
- Understand the appropriate reporting process for issues or concerns.
- Intervene if a parent consents to anything that breaches regulations or poses a risk.
- Ensure their DBS check is maintained (annual via Update Service or renewed every three years).
- Comply with all conditions required for renewal of chaperone approval.
- Carry their chaperone approval on set and present it to any local authority inspector on request.
- Notify the local authority promptly of:
 - Any changes in circumstances
 - Health issues
 - Arrests, bail conditions
 - Safeguarding concerns relating to themselves or immediate family
- Notify the local authority if dismissed from a production due to concerns about conduct.

Chaperones **MUST NOT:**

- Leave children alone with an adult who is not:
 - A licensed chaperone
 - The child's parent
 - The child's teacher
- Release a child to an unexpected adult without confirmation from the parent/production.
- Form inappropriate relationships with a child, including:
 - Direct messages
 - Social media communication
 - Online interactions
 - Accepting or sending "friend requests"
- Take photographs of the children.
- Use mobile phones while supervising children.
- Give gifts or show favouritism.
- Consume alcohol or drugs while working or permit their duties to be impaired.
- Possess, use, or supply illegal drugs or cigarettes.
- Use inappropriate or offensive language.
- Engage in or allow conversations of an inappropriate or sexual nature.
- Share personal details with children.
- Permit inappropriate language from children (parents must be informed if this occurs).
- Discipline children physically or verbally.
- Seek autographs or photographs from cast members during working hours.
- Allow children to perform if they appear unwell.

3. Physical Contact

- Always seek the child's permission before offering physical assistance.
- Contact should always be open and never secretive or concealed.

4. Responding to Disclosures

If a child discloses abuse:

Immediate Actions

- Remain calm and in control—do not delay response.
- Listen carefully; allow the child to speak at their own pace.
- Ask only open questions for clarification, using the TED method:
 - **T – Tell me**
 - **E – Explain that to me**
 - **D – Describe that to me**
- Do not promise confidentiality; explain that you must pass the information on.
- Reassure the child that telling someone was the right thing to do.

Reporting

- Share the disclosure at the earliest opportunity with the Designated Safeguarding Lead.
- If unavailable, contact:
 - Children's Social Care
 - The Police
 - Warwickshire County Council Child Employment Officer (during working hours)
 - Emergency out-of-hours safeguarding team
- Make written notes as soon as possible, using the child's own words, and record:
 - Date
 - Time
 - Names of individuals involved or mentioned
 - Who the information was passed to
- Do not inform parents if they are implicated in the allegation.
- If the alleged abuser is another registered chaperone, the matter must also be referred immediately to the production's safeguarding lead and appropriate licensing authority.
- Do not attempt to gather evidence—this is the responsibility of investigating authorities.

General Concerns

If you have concerns about a child's welfare (e.g., neglect, inappropriate adult contact, exploitation), you must inform the designated Safeguarding Lead of the group. If you feel it is appropriate, also report to your local authority

5. Confirmation of Understanding

As an approved Chaperone with Warwickshire County Council, you are expected to read, understand, and accept this Code of Conduct. Failure to comply may result in suspension or revocation of your approval in line with the Chaperone Approval Policy.
