

# Are you a Coventry/Warwickshire based parent/carer of an autistic child or teenager?

# Do you want to understand their autism and help them understand their autism?

## We are offering a series of facilitator led workshops

CASP: Children's Autism Support Programme for parents/carers of children aged 4-12

**TASP**: Teenage Autism Support Programme for parents/carers of children aged 13-18

The workshops are fully-funded and comprise of 4 x 3-hour sessions over a 4-week period facilitated by autism professionals who are also parents.

You will be joined by up to 15 other parents for an informative and empowering workshop.

### Objectives:

- To enable parents/carers to understand their child's lived experience
  the joys and the challenges
- To facilitate a 'conscious connection' between parent/carer and their child via the 3 C pathway, a relational approach to parenting
- To identify adjustments/changes to help their child feel secure and be understood

#### The four weeks will follow a broad framework:

- 1. Autism, a brief history and context. Your child and their autism
- 2. The sensory world experience it and consider how it impacts on your child
- 3. Communication making connections and building a secure base
- 4. Transitions, advocacy, planning next steps and problem solving
