

## EARLY HELP NETWORK EVENTS 2021/22

### Early Help Network Events:

Early Help network meetings aim to provide advice, support and guidance to trained Early Help Lead Professionals or partners interested in finding out more about Early Help prior to accessing training. Locality Targeted Support Officers lead the meeting sharing useful information, explore needs in the area and further strengthen the Early Help process to support children and families whilst enabling networking opportunities between organisations.

### Family Support Network Events:

Locality family support network meetings aim to share best practice, skills, knowledge and support across the locality area from a variety of organisations. Led by the district/borough Early Help Team Leader, they will include restorative problem-solving circles.

**Details of your District/Borough meetings are shown in the tables below**
