

CHILDREN WITH DISABILITIES WORKSHOPS

**There are a variety of useful workshops
coming up at the
Camp Hill Children and Family Centre
to support parents, carers and grandparents with
a child who has disabilities.**

Warwickshire
County Council

The following workshops are facilitated by Warwickshire County Council's Children with Disabilities team:

An information session for parents, carers and grandparents on sleep strategies to support children with disabilities

12/09/22 10:00am 12:00

We all know how important it is to get a good night's sleep! This workshop will give you tips and ideas to create an improved bedtime routine for your child.

An information session for parents, carers and grandparents on the Importance of sensory play for those caring for children with disabilities

19/09/22 10:00am 12:00

An interactive workshop to help understand the importance of play that meets a child's sensory needs. Parents and carers will be able to participate in the sensory activities and gain further insight into the benefits.

An information session for parents, carers and grandparents on caring for children with disabilities with communication difficulties

26/09/22 10:00am 12:00

An information session on a range of communication methods that can be used to help promote a child's language skills and development. We will explore a variety of methods to include visuals, verbal and non-verbal communication.

An information session for parents, carers and grandparents on caring for children with disabilities and challenging behaviour

03/10/22 10:00am 12:00

This session explores strategies to support children and manage their feelings and anxieties which can present in challenging behaviours.

An information session for parents, carers and grandparents on exploring Autism and strategies that can support children and young people

10/10/22 10:00am 12:00

An introduction to autism and exploring the traits and characteristics that a young person may present with. We will also look at how to create a safe and stimulating environment for a young person with Autism.

Workshops are FREE for parents and carers of children with disabilities living in Warwickshire.
