WHAT IS HAF?

@WarksFIS

@WarwickshireFIS

The Holiday Activities and Food (HAF) Programme is funded by the Department for Education (DfE) to provide young people who are in full-time education (Reception to Year 11) and eligible for benefits-related free school meals with access to enriching activities and meals, for free, during the three main school holidays: Winter, Spring and Summer.

Winter HAF: Tuesday 2 January – Friday 5 January 2024 (maximum of 4 sessions)

If you want more information about non-HAF holiday provision and/or family support, visit the [Children and Family webpages](#).

WINTER HAF

Winter HAF: Tuesday 2 January – Friday 5 January 2024

Your HAF code can be used to book a maximum of 4 sessions during Winter HAF. These can be with one provider, or across different providers.

Book directly with your chosen provider – let them know if your child has any additional needs or requirements.

Please ensure you cancel any booked sessions you can no longer attend directly with providers. This gives another child the opportunity to book the space.

Forgotten your HAF code? Email hafprogramme@warwickshire.gov.uk with your child's full name and date of birth to receive a reminder.

Please disclose if your child has any SEND or an EHCP when booking activity sessions. This enables the provider to ensure they can meet your families needs, or suggest a suitable alternative if not.

Clip 'N Climb session for an hour followed by a meal from the cafe aimed at children who attend secondary school.

Autobelay climbing is a safe, challenging activity designed to open up climbing to the general public. It's a great family activity, all routes use an auto-belay, meaning climbers just need to harness up, clip on and climb. Once you've had enough of one route, you can simply unclip and move to a different route to be clipped on again. All climbers are double clipped, one of which has a security lock that can only be unlocked by trained rescuers or individuals ensuring a safe visit.
