

EARLY HELP NETWORK EVENTS 2023/24

Early Help Network Events:

Early Help network meetings aim to provide advice, support and guidance to trained Early Help Lead Professionals or partners interested in finding out more about Early Help prior to accessing training. Locality Targeted Support Officers lead the meeting sharing useful information, explore needs in the area and further strengthen the Early Help process to support children and families whilst enabling networking opportunities between organisations. Early Help forms an essential part of the role of a Designated Safeguarding Lead and therefore we would actively encourage representation from all organisations at these events to support this role.

Family Support Network Events:

Locality family support network meetings aim to share best practice, skills, knowledge and support across the locality area from a variety of organisations. Led by the district/borough Early Help Team Leader and Senior Family Support Workers, they will include restorative problem-solving circles.

Details of your District/Borough meetings are shown in the tables below. If you have any questions or queries please contact the locality Team Leader, email contact are available: [Early Help Team Contacts](#)
