# Circles Network

Our Warwickshire Hub stands in a rural small holding with stables, pasture, and small woodland areas. Timber cabins provide sheltered spaces for creative activities.

Sessions allow time and space for children to simply be and play in nature, to observe plants, animals and enjoy supervised risk taking. Being outdoors in the woods, by water or in open green space, will offer a safe and positive environment to facilitate mindfulness and a range of self-care techniques to practice.

SPARK Youth Music is proud to have been recognised for their outstanding dedication and commitment to youth provision in Warwickshire and to be named as the regional winner for The Midlands 'HAF provider of The Year Award' and will be one of only 9 finalists going forward to the Department of Education 'National HAF Provider of The Year Award'.

At SPARK we place young people in bands so they can experience the joy of performing music and being in a band! No previous musical experience is necessary and all instruments are provided. Our HAF band programmes see the bands learn cover songs, design a band logo and t-shirt, take part in a photo shoot and design a poster for a professional gig they will perform in on the evening of 1st August. Each band has their own band tutors who are professional musicians.
