@WarksFIS

@WarwickshireFIS

The Holiday Activities and Food (HAF) Programme is funded by the Department for Education (DfE) to provide young people who are in full-time education (Reception to Year 11) and eligible for benefits-related free school meals with access to enriching activities and meals, for free, during the three main school holidays: Winter, Spring and Summer.

Summer HAF: Monday 21st July – Friday 29th August 2025 (maximum of 16 sessions)

If you want more information about non-HAF holiday provision and/or family support, visit the [Children and Families webpages](#).

SUMMER HAF

Summer HAF: Monday 21st July – Friday 29th August 2025

Your HAF code can be used to book a maximum of 16 sessions during Summer HAF. These can be with one provider, or across different providers.

Book directly with your chosen provider – let them know if your child has any additional needs or requirements.

Please ensure you cancel any booked sessions you can no longer attend directly with providers. This gives another child the opportunity attend.

Forgotten your HAF code? Email hafprogramme@warwickshire.gov.uk with your child's full name and date of birth to receive a reminder.

Please disclose if your child has any SEND or an EHCP when booking activity sessions. This enables the provider to ensure they can meet your families needs, or suggest a suitable alternative if not.

SEN Shots

SEN SHOTS Basketball in Warwickshire has been inspired by the founders' (Jo & Hugh) son, who is non verbal autistic. He loves the feel of the basketball and to watch it bounce, and he loves the huge hall with the blue floor where the session takes place.

SEN SHOTS has free accessible safe parking on site, ground level access to the indoor sports hall - wheelchair users welcome! Lowered Basketball nets, a safe space with no demands or pressure to learn, they can run around and explore the hall and the balls, it's all about having fun. Parents and carers to stay with the children during the session. There are disabled toilets onsite, however there are no hoist facilities.

SPARK Youth Music is proud to
have been recognised for their
outstanding dedication and
commitment to youth
provision in Warwickshire and
to be named as the regional
winner for The Midlands 'HAF
Provider of The Year Award'.

...so much more than
a musical journey

.....working with young people so that music may
become a profoundly positive influence in their lives

At SPARK we place young people in bands so they can experience the joy of performing music and being in a band! No previous musical experience is necessary and all instruments are provided. Our HAF band programmes see the bands learn cover songs, design a band logo and t-shirt, take part in a photo shoot and design a poster for a professional gig they will perform in on the evening of 1st August. Each band has their own band tutors who are professional musicians.

activities

Our Warwickshire Hub stands in a rural small holding with stables, pasture, and small woodland areas. Timber cabins provide sheltered spaces for creative activities.

Sessions allow time and space for children to simply be and play in nature, to observe plants, animals and enjoy supervised risk taking. Being outdoors in the woods, by water or in open green space, will offer a safe and positive environment to facilitate mindfulness and a range of self-care techniques to practice.

SEN Shots

SEN SHOTS Basketball in Warwickshire has been inspired by the founders' (Jo & Hugh) son, who is non verbal autistic. He loves the feel of the basketball and to watch it bounce, and he loves the huge hall with the blue floor where the session takes place.

SEN SHOTS has free accessible safe parking on site, ground level access to the indoor sports hall - wheelchair users welcome! Lowered Basketball nets, a safe space with no demands or pressure to learn, they can run around and explore the hall and the balls, it's all about having fun. Parents and carers to stay with the children during the session. There are disabled toilets onsite, however there are no hoist facilities.

At SPARK we place young people in bands so they can experience the joy of performing music and being in a band! No previous musical experience is necessary and all instruments are provided. Our HAF band programmes see the bands learn cover songs, design a band logo and t-shirt, take part in a photo shoot and design a poster for a professional gig they will perform in on the evening of 1st August. Each band has their own band tutors who are professional musicians.

SPARK Youth Music is proud to have been recognised for their outstanding dedication and commitment to youth provision in Warwickshire and to be named as the regional winner for The Midlands 'HAF Provider of The Year Award'.
