

### What families say:

*"When's the next one? We want to come back for more!"*

*"It makes you feel confident that you can actually do it and then you come back for more"*

*"Really enjoyed it and feel better equipped to support my family"*

*"Amazing course!"*

**"The course has been really beneficial"**

*"I feel I've been given new ideas of how to help my child"*

*"The tutor made me feel welcome"*

*"I am so grateful to be part of this and found it so helpful and supportive from just the first week! I loved the energy, positivity and support"*

*"[My child] came out and said 'I've had the best time thank you mummy'"*

*"Today was fantastic and really fun! I spoke to a mum after and she really enjoyed it too! You personally for us made it nice and friendly and relaxed with learning!"*

**"If you hadn't brought us all together for the family course, we wouldn't have made this friendship group. It helped us to realise we aren't alone and we meet every week now"**

**Family Learning** is for parents, carers and important adults in a child's life. Learning sometimes happens alongside your child and sometimes it is just for adults.

---

Family Learning is all about making the most of real life, family activities to promote learning at home.

We provide activities for you to do with your family, and opportunities for you to learn in a relaxed way!

## Courses and Workshops

All of our courses for families are **free** including the resources! We have listed some of our courses below. If there are things you want to learn about that are not on the list, do ask— we might offer it!

## Workshops

Literacy and Numeracy themes

Art themes

Story in a Box

Seasonal Workshops (winter, spring)

Various themed workshops (e.g. awareness themes, books, topics)

50 Things to do before you are 5
