One of the best (SEND Family Experiences) was the Ash End children's farm and play barn. From the moment we arrived all paperwork was there, they gave us codes for our lunch which included drinks and desserts. The staff even put extra scoops of icecream on the cones. The activities were so well organized with staff guiding and directing to where we needed to be, then once the activities had finished we had the afternoon to explore the play barn. Best soft play I've been to, so much to do for the children. Fantastic experience for all!
