TOGETHERNESS NHS Prepare for birth, prepare for a life

Antenatal online
learning, for
everyone.

Free Online Learning Understanding Pregnancy, Labour, Birth and Your Baby

Warwickshire residents can
access the online learning using
the code BEAR

Understanding pregnancy, labour, birth and your baby is for all parents, grandparents and carers expecting to welcome a new baby.

It has been designed to include all the practical information and advice you might expect from a traditional antenatal class with the additional benefit of support around emotional well-being for you and your baby.

Learn from NHS clinical psychologists, practitioners and other parents. The pathways will help you and your family understand and manage emotions in everyday life.

Each pathway takes around 15-20 minutes to complete
