

Colours

Make your own masterpiece.

With scrap coloured paper and glue, you could create a Henri Matisse inspired work of art.

Henri Matisse was a French painter born in 1869

Hello Again

Although we can't be together for a while at 'Arty Tots' here are some ideas for you to try. Have fun with your families.

Best Wishes

Vicki and the Arty Tots

Enjoy the colours around you

'We're Going on a Colour Hunt'

Look for a colour around your home.

I looked for the colour blue. What can you find?

A host of yellow Daffodils

Song Time

The Rainbow Song

Red and yellow and pink and green
Orange and purple and blue
I can sing a rainbow, sing a rainbow
Sing a rainbow too.
Listen with your eyes
Listen with your eyes
And sing everything you see
I can sing a rainbow, sing a rainbow
Sing along with me.

*Sung to the tune of
Head, shoulders,
knees and toes.*

Red, yellow, green
and blue

Green and blue.

Red, yellow, green
and blue

Green and blue

Purple, orange,
brown and black.

Red, yellow, green
and blue

Green and blue.

Joke Time

How can you tell the
difference between a
grape and an elephant?

Grapes are purple!

What's a cat's favourite
colour?

Purple!

A ship load of red paint
crashed into a ship load
of blue paint.

*The crews were
marooned!*

Play Dough Fun

Do you have any colourful buttons?

Press them into the dough, look at the button imprint.

Sort them into colours or shapes.

Playdough Recipe

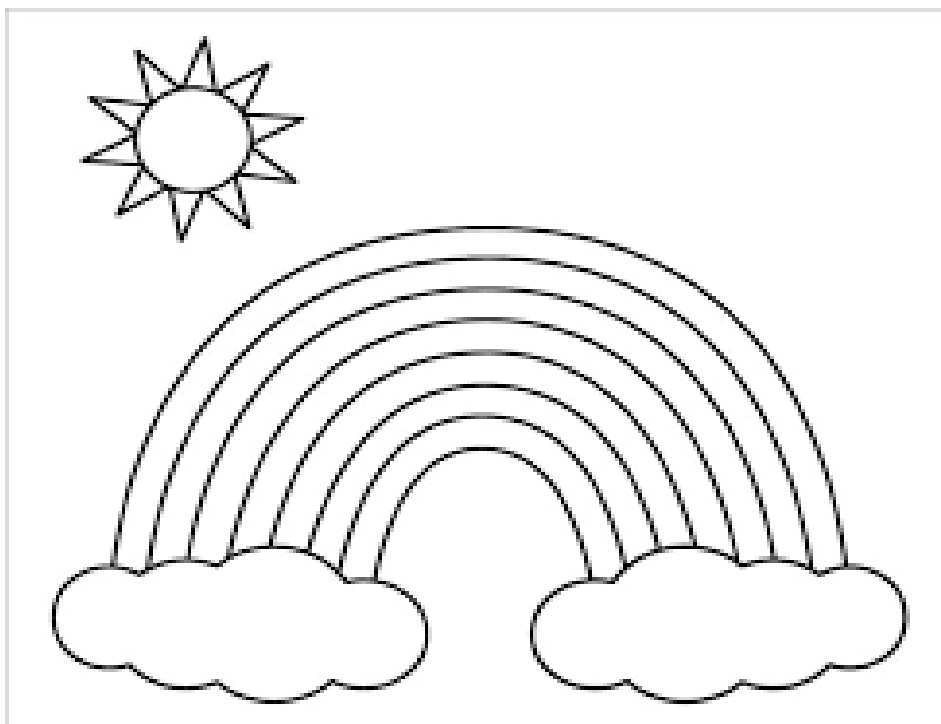

2 cups flour, 1 cup salt,
2 cups boiling water

2 tablespoons oil 2
teaspoons Cream of
tartar

A few drops of food
colouring.

Mix all the ingredients
together in a bowl.

*(Please be careful
when using the boiling
water)*

Colour Facts

Did you know?

**Black is not a colour
but the absence of
colour**

*White is the blend of
all the colours and is
a colour.*

Rainbows appear in
seven colours
because water
droplets break white
sunlight into the
seven colours of the
spectrum

(red, orange, yellow,
green, blue, indigo,
violet). You can only
see a rainbow if the
Sun is behind you
and the rain in front

Wash, wash, wash your hands

Soap will make them clean

Scrub the germs till they fall off

Germs go down the drain

Have fun together and we
will see each other soon.

Best Wishes from Vicki and
The Arty Tots Crew.
