

Down on the Farm

On the farm, the farmer would need a tractor. It's so muddy on the farm the tractor needs **big wheels**.

Can you make a tractor from these shapes, **circles, squares and rectangles**?

(The shape templates are on page 3)

Help, Old Macdonald find his animals. Draw a line from the animal noise to the correct animal.

Hello, Arty Tots friends,

Have you ever been to a farm?

What did you see there?

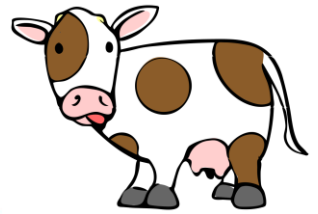

This week, we are looking around the farm.

It can get muddy, so put on your boots!

Farmyard songs

To the tune of 'Wheels on the Bus'

The duck on the farm goes, quack, quack, quack,

Quack, quack, quack, quack, quack, quack.

The duck on the farm goes quack, quack, quack,

All day long.

The cow on the farm goes (moo,moo,moo)

The pig on the farm goes (oink,oink,oink) etc

This little piggy went to market.
This little piggy stayed home.
This little piggy had roast beef.
And this little piggy had none.
And this little piggy cried "wee wee wee",
All the way home!

Old MacDonald had a farm, *ee i ee i oh!*
And on his farm he had some chicks, *ee i ee i oh!*
With a cluck-cluck here, and a cluck-cluck there
Here a cluck, there a cluck, everywhere a cluck-cluck
Old MacDonald had a farm, *ee i ee i oh!*

What other animals are on Old Macdonald's farm?

Jokes

Decorate and colour your circle.

Fold the circle in half.

Using the orange card, cut two feet, a beak and a head comb.

Stick on with glue, the wings, beak, feet, comb and eyes.

There are many chickens on Old Macdonald's Farm.

He has to collect their eggs every day.

Can you make a chicken?

You will need, a paper plate or a card circle.
Scraps of card for, feet, wings, beak and comb.

Pens, tissue paper, glue and goggly eyes.

How did the chicken wake up?

It had an alarm cluck!

What do chicken families do at the week end?

They have peck-nics!

Where's the best place to find out about eggs?

A hen-cyclopaedia!

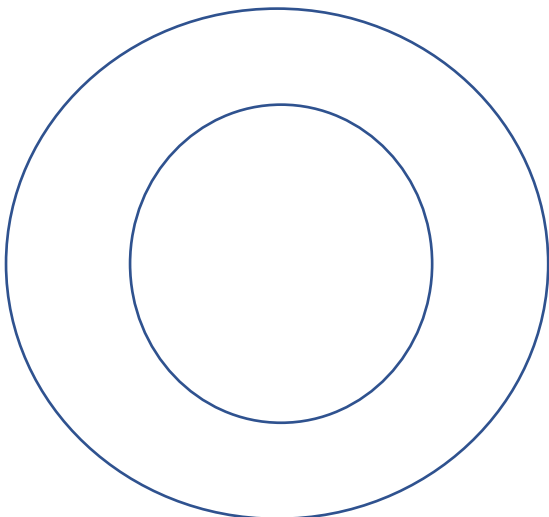

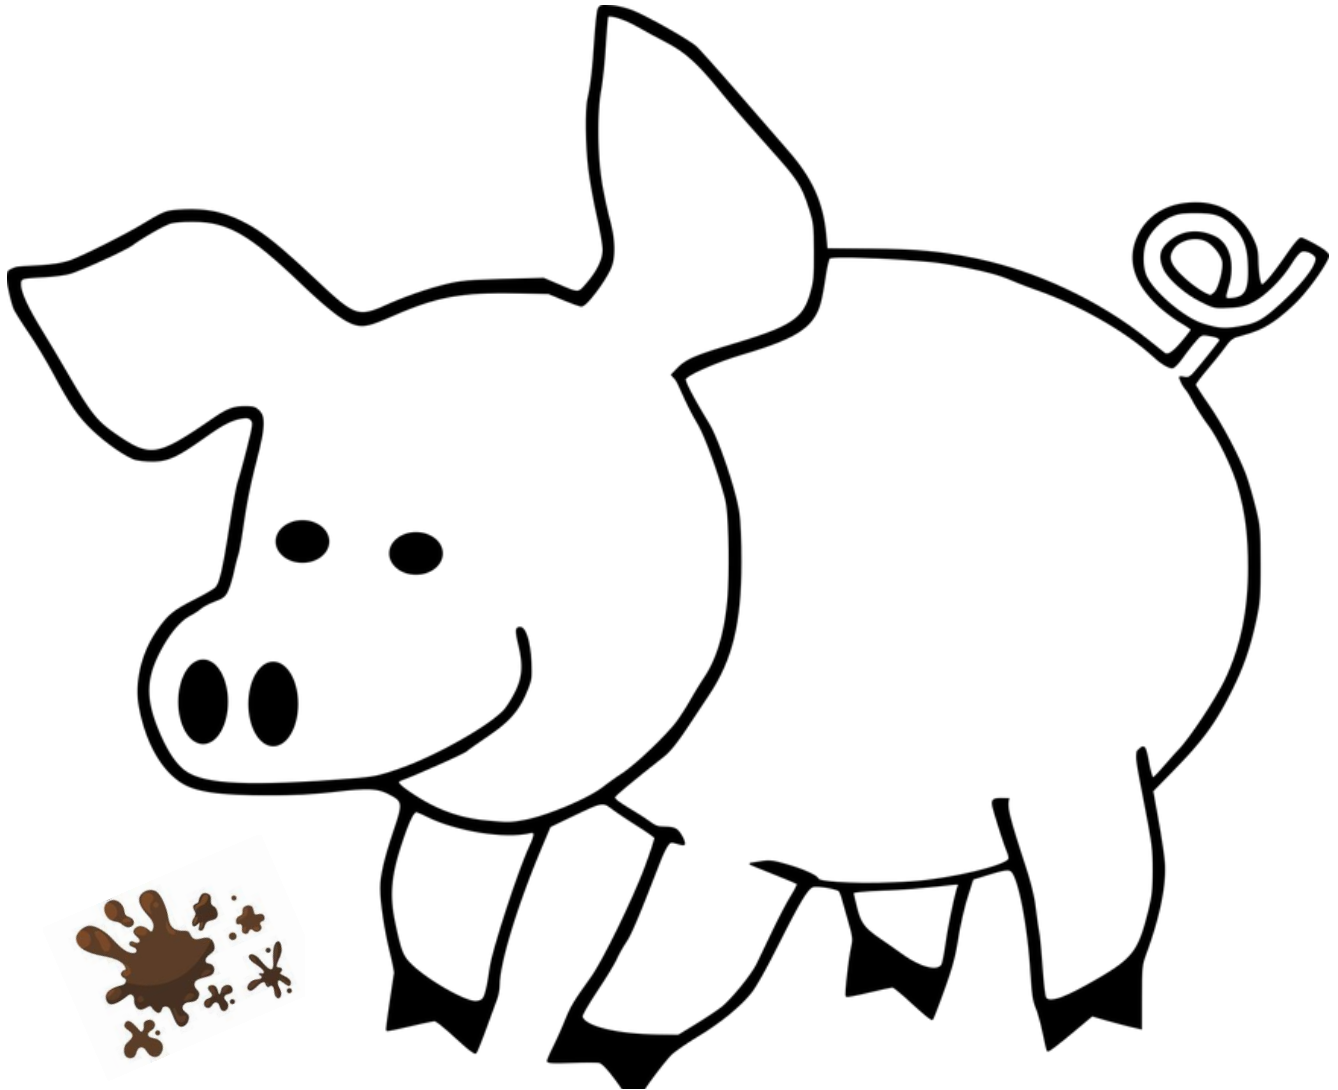

Colour Fun

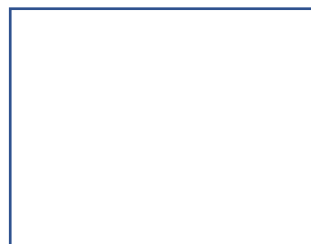

Pigs just love the mud on the farm.

When you have finished your colouring picture,

Add some mud with a sponge or brown paint.
