

These are companies who have the appropriate street works accreditation, which is required for working in the Public Highway.

This is **NOT** a list of contractors who are recommended by Warwickshire County Council, but have carried out work in the Public Highway to the required standard and inspections.

## ACCREDITED STREET WORKS CONTRACTORS

**This list is made up of contractors known to Warwickshire County Council. Alternative contractors may be used providing they have up to date Street Works accreditation and a minimum of £5million Public Liability Insurance.**
