

A4023 COVENTRY HIGHWAY, STUDLEY, STRATFORD-UPON-AVON

Proposed 50 mph Speed Limit

1. STATEMENT OF REASONS

- 1.1 Warwickshire County Council is proposing to reduce the existing National speed limit to 50mph on a section of A4023 Coventry Highway.
- 1.2 The 50 mph speed limit is proposed due to a new development north of A4023 with an associated new signalised junction that has been consulted on and approved separately. The speed limit is being proposed to ensure the signalised junction is utilised effectively and safely by vehicles and for avoiding danger to persons or other traffic. The scheme will involve the use of speed limit signs.
