

The path is approximately 200 yards in length, of which some 140 yards is bordered by allotments and some 60 yards crosses pastureland.

The width of the path is some 3-4 yards at the entrance gate from The Green, (photo 1 Appendix 2) narrows to some 2-3 yards along the border with the allotments and to about 2 yards as it approaches the stile into the pastureland. (see photos 2-4 Appendix 2)

The width of the path is not clearly defined in the pastureland. (see photos 6 & 8 Appendix 2)

The path has a grass surface throughout its length, with earth showing in the pastureland where the path is located close to trees and hedging.
