Evidence

All references are to documents held by the County Record Office.

1) The site of this claim forms part of the "Packmores Estate" purchased by the former Warwick Borough Council in the late 1920's (CR1618/W22/22 p.128, Minute 21) and shown on a plan dated June 1928 (CR1618/W6/9). The land was acquired for development for housing and industry, with some plots being sold off to private developers.

2) The site of the path is shown on the OS map of 1925 as being allotments, which included the site of the later 28 Woodcote Road.

3) Building Byelaw Plan for 28 Woodcote Road (CR2487/ Boxes 58-67/Plan No.702) approved in 1929 for the erection of a bungalow [since replaced] shows the original line of the path. Correspondence on the file shows that the developer was required to erect a boundary fence, the plot having been bought from the Warwick Borough Council. [This shows that the path was a deliberate creation, at an early stage, by the Council as a part of the development of this estate.]

4) Diversion Order 1982. This was to enable two houses to be built across the northern half of the path, the plan showing the whole path. The Order was confirmed by the Secretary of State, and implemented with the building of the pair of houses now known as 38+40 Packmore Street.

5) The whole route is surfaced with tarmac, and well used by local residents going to the station and the town.
