List of Streets

Published in accordance with Section 36 (6) Highways Act 1980.

This document lists highways which are maintainable, or part-maintainable, at public expense within Warwickshire. For information on other Public Rights of Way, not included in this list, please refer to the Definitive Map and Statement, a copy of which is deposited at Leamington Library

Should you have any queries relating to this document then please contact: Highway Searches Team, PO Box 43, Shire Hall, Warwick, CV34 4SX

Or email: searches@warwickshire.gov.uk

Please note: The information contained herein is correct to the best of our knowledge on the date of publication. This document provides information as to whether a way is highway maintainable at public expense. It does not provide information on the length, lateral extent or level of public rights of highway.

Whilst the County Council as highway authority believes the information to be correct it should be noted as a matter of highway law that only a Court can issue the definitive interpretation on matters of highway status and extent
