35	6.7.1.3	HAUC (UK) National Condition	Permit Condition		
35	6.8	Local Conditions	Conditions for Exceptional Circumstances		
35	6.8.1.1	There may be exceptional circumstances where the specific conditions need to be added to an activity and contained within the permit that are not covered within the HAUC (UK) National Conditions.	There may be circumstances where the Permit Authority require a specific condition to be added to a permit that is not defined with the Statutory Guidance for Permit Conditions.		

35	6.8.1.2	In such circumstances, these conditions will be applied as a HAUC (UK) National Conditions Local condition and will be specific to the circumstances of the particular activity and will follow any guidance set out within the HAUC (UK) National Conditions.	In such circumstances, which by their nature will be exceptional, the Permit Authority will follow the Statutory Guidance for Permit Conditions for the application of this condition.		
36	6.8.1.3				Where circumstances require the regular application of a specific condition the Permit Authority, at agreement with the Promoter, may include this condition within the Authority Addendum, as a local condition, with a description of practical use in the WaSP Scheme Operational Guidance. The purpose of this would be to ensure a consistent application and use of this condition.
