News Stories

Two Arrested for Burglary in Binley Woods

On the 19th October an elderly and vulnerable female was targeted by two people who conned their way into her home. Whilst one spoke to her the other stole a quantity of cash. Members of the team attended the home and enquiries began. In early November a male and female from Nuneaton were arrested on suspicion of distraction burglary. Enquiries are continuing.

Respect day at Binley Woods Primary School

PCSO Cawte and PCSO Havelock spent a morning with years 5 and 6 at Binley Woods Primary School. The pair spoke about respecting others property, feelings and differences. They also spoke about consequences of actions.

Team utilize the ANPR camera in Binley Woods

News Stories

Rugby Rural Central support student officer

As part of the probation period for a student officer they are attached to neighbourhood policing to better understand community policing.

Between the 21st and 26th November, PC Michael Baker from Rugby D Shift was on attachment to Rugby SNT. PC Baker worked with the Rural Central SNT team where PC Stamp and PCSO Havelock showed him the benefits of

ANPR. During the afternoon patrol the team were able to seize a vehicle in Binley Woods where the owner failed to Tax his vehicle. Showing PC Baker that Rural officers continue to proactively patrol the rural areas day and night and will deal with any offences including dealing with people who drive illegally.

News Stories

Two Males arrested for vehicle crime in Brandon

You may recall from the December Newsletter that on Thursday 10th November (Inc 173) we reported that a vehicle was stolen from outside a property on Main Street in Brandon, well, due to hard work and working with our bordering police service West Midlands, two males were arrested and have been charged with 'Taking Without the Owners consent' and other related driving offences. Dale Melia and Sam Peal both from the Walsgrave area of Coventry were due to appear at Leamington Magistrates Court in late January; at the time of writing this report their punishment is not yet known. PC 1556 STAMP who lead the investigation said "***The van has been retrieved and handed back to the owner; together with my Team PCSO Cawte and PCSO Havelock who assisted me with this matter two males have been arrested and now have their day in court; this sends a clear message to Criminals who travel into Binley Woods and the rural surrounds that we will not tolerate crime and will do our very best to bring offenders to justice and protect our communities from harm..***"

Team help set up a Non Rogue Trader Zone in Ryton on Dunsmore

After having a few incidents of possible rogue trading in Ryton on Dunsmore area over the past year. Warwickshire trading Standards were contacted by Councillor Keeling enquiring about a setting up a Non Rouge Trader scheme. Other non rouge trading zones have been set up in other parts of Warwickshire with Rugby containing two currently (one in Binley Woods). Trading Standards contacted PCSO Matt Havelock and the Rural Central Team were happy to support the setting up of the scheme. The first part of setting up a scheme is a questionnaire which shows us that the residents want a scheme and

see what issues have affected them. The team arranged to hand deliver the questionnaires to keep the costs down. At the time of this newsletter the return date will be upon us and we should have an update on the scheme in future editions of this newsletter.

News Stories

Rural Officers receive further training

PCSO Matt Havelock has been working with Carol Cotterill (Rural Crime Co-ordinator for North Warwickshire), and between them they set up a training event for Rural officers in North Warwickshire. The day was organised for Friday 20th January and the event was held on a Farm. Officers received training on a variety of rural crime matters from a variety of experts (too many to mention!). Officers from Northants and

Leicestershire Police rural beats also joined in on the day and gave officers the chance to network with neighbouring forces. PCSO Cawte even got the chance to meet her JCB Namesake!

News Stories

Rural meeting held at Ryton Organics

On the evening of Tuesday 24th January 2017 an event was held for Rugby's farmers, fisheries, horse owners and small rural businesses. PCSO Matt Havelock and Carol Cotterill organised an event which was held at Ryton Organics. This was the second Rural meeting held in the Rugby Area. We wanted to provide our rural community with the opportunity to gather information, advice from supporting agencies. The night was attended by PCC Phillip Seccombe, Warwickshire NFU, Security Advisors, Warwickshire Fire and Rescue, Rugby Borough Council, Cyber Crime Advisors, Business Crime Advisors, Warwickshire Horse Watch. Rugby Rural Safer Neighbourhood teams were represented by Inspector Faulkner, Sergeant Masters, PCSO's Matt Havelock and Charlie Cawte. The team presented on what we have done with issues raised at the first meeting. They also spoke to attendees about the

support available to them from the police and continued with mapping farm land to support them in day to day Policing.

News Stories

Shed Security advise for Coventry Model Engineering Society

On Wednesday 25th January 2017 PCSO Matt Havelock with the help of Carol Cotterill attended the Coventry Model Engineering Society based at Ryton Pools. PCSO Havelock was invited to do a talk after the society became a victim of crime and were offered the opportunity for the team to come and security mark their property. Matt and Carol spoke about outbuilding and garden theft, giving them advice on how to mark and keep a log their tools.
