Joint Strategic Needs Assessment – Warwick, Kenilworth & villages to the South and West of Warwick District – WCC Charles Barlow

A Joint Strategic Needs Assessment (JSNA) looks at the current and future health and care needs of local populations to inform and guide the planning and commissioning (buying) of health, well-being and social care services within a local authority area.

The aim of the 2019-20 approach to JSNA is:

- Place based approach being adopted across health and social care
- Uses local data to identify local needs.

- Greater opportunity for local residents and communities to have their say about what's important to them. Ability to combine "hard" and "soft" data.
- Brings together large amounts of local health data for the first time.
- Greater buy-in from all partners, public and voluntary/community sector

Warwickshire has been divided up into 22 geographical areas and the area currently being assessed is Warwick, Kenilworth & villages to the South and West of Warwick District. As follows:

- Geographies including Warwick, Wasperton, Barford, Sherbourne, Norton Lindsey, Hampton Magna, Hatton, Shrewley, Lowsonford, Lapworth, Rowington, Kingswood, Chadwick End and Honiley,

How can you help:

By encouraging as many people as possible to complete the surveys to capture local knowledge from both those living or working in the area (separate surveys). Please find below links to the surveys for residents and for professionals:

Warwick Community Network – Chair, Celia Hilgenberg, Saltisford Church

The Warwick Community Network is a group made up of community centres/ facilities in that town that meet to:

- Network with each other
- Share information
- Work together on joint initiatives/ projects

The current member of the network includes: Salisford Church, The Gap, Warwick Sports Club, Chase Meadow Community Centre, Packmores Centre, Heathcote Parish Church, Warwick Lions and Transforming Communities Together, Warwick.

The network recently host a Warwick Vision Event aimed at professionals from charities in the town, voluntary and community and the public sector.

The network hosted a very successful event on 23rd October to provide an opportunity for a wide range of partners to discuss the changes that Warwick has a town is going through. The event provided an opportunity for partners to share thoughts on the town and its future, working together to start shaping and agreeing a vision for Warwick Town that includes **all**.

A number of key issues emerged from the event which included:

- Mental health
- Youth provision
- Support for vulnerable families including families with children with special needs
- The new housing developments in Warwick and how they can connection with Warwick Town.

The next steps will be to develop work around agreeing a 'vision' for Warwick Town. It was agreed to report back progress on this work at a future Community Forum meeting.

Neighbourhood Services priorities:

If anyone wishes to raise Neighbourhood Service issues such as fly-tipping, problems with litter etc. please log onto the District Council's website where you are able to report any issues in respect of the following:
