

What are your perceptions of RE?

As part of my role as RE co-coordinator, I am in the process of carrying out a subject audit. I am very interested to know your thoughts and comments (anonymous) on the teaching of RE and would really appreciate your response to the attached series of statements.

Once completed, could you please return both sheets to my pigeon! I know how busy you are and another piece of paper to fill out doesn't help, so I am very grateful of your support.

Many thanks,

My perceptions of RE

I enjoy teaching RE because...

I am happy to teach RE because...

I can't wait for my RE lessons because...

I don't want to teach RE because...

I don't know how to teach RE because...

I can't teach RE because...

I wish someone else would teach RE because...
